MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS
(SHRI HANSRAJ GANGARAM AHIR)

(a)&(b): Madam; in Census 2011, data on main non-economic activities in respect of the persons who did not work at all (non workers) or who worked for less than six months (marginal workers) during the last one year period from the date of enumeration were collected. Students have been recorded as one of the main non-economic activities for these categories. Census 2011 data on student population and on workers by various major religious communities have been released and are given as Annexure-I&II respectively.
